4. Morongo's – **Party Pit** takes place every 30 minutes from 2:00pm- 10:00pm on Fridays, February 3, 10, 17 & 24, 2023.
5. Morongo Rewards members playing Table games will receive one (1) ticketless entry for every one hundred (100) points or \$7 theoretical loss earned on table games. Entry earning is from 1:00pm – 9:59pm on promotional dates.
6. Entries must be activated at least one hour prior to each drawing by swiping the Morongo Rewards card at a Morongo Rewards kiosk or by having an open table game rating during the activation period. Entries do not roll over and will expire after each weekly drawing.
7. Beginning at 2:00pm on Fridays, in February 3 - 24, 2023, one (1) Table location will be randomly drawn using a tactile drawing. An authorized Marketing Representative will draw a PIT number, then draw a table number. If the drawn table does not have any occupants, the winning table moves one table to the left, then right until an occupied table has been located. If the PIT is depleted before a winner is identified, the Marketing Representative will draw another PIT/table location. This process will continue until a winning table has been located and identified.
8. All winners must have a Morongo Rewards card and provide a valid government-issued photo identification matching the Morongo Rewards card to participate and claim their prize.
9. An authorized Marketing Representative will sign up any guests who do not have a membership or reprint a card for an existing member if they would like to participate. Any member who cannot provide the required documents will forfeit their prize.
10. Each Table Games participant from the winning will play a hand Blackjack with the Marketing Representative for a chance to win \$25 or \$100 in Single-Bet Promotional Chips.
11. Each participant will draw cards from the oversized deck used for the promotion. The person with the highest hand will play for the table. The Marketing Representative, acting as the dealer, will display the dealer's hand and the player's hand on the game board. The dealer will deal one card face up to the player's box, then one card face up for the dealer. The second round of cards is then dealt face up to the player and face down to the dealer.
12. If the player's first two cards are an ace and a "ten-card" (a picture card or 10), giving a count of 21 in two cards, this is a natural or "blackjack." If the player has a natural and the dealer does not, the dealer immediately awards \$100 SBPC to each eligible player at the winning table.
13. If the dealer has a natural, they immediately award \$25 SBPC to each eligible player. If the dealer and the player both have naturals, the dealer will award each eligible player a \$25 SBPC.

14. If the dealer's face-up card is a ten-card or an ace, they look at their face-down card to see if the two cards make a natural. If the face-up card is not a ten-card or an ace, they do not look at the face-down card until it is the dealer's turn to play.
15. If neither the player nor dealer has a natural, then the game proceeds with the designated player who must decide whether to "stand" (not ask for another card) or "hit" (ask for another card in an attempt to get closer to 21 or hit 21). If the player "bust" (going over 21), each eligible winner at that table will receive \$25 SBPC and the game is over.
16. When/if it is the dealer's turn, the dealer will reveal their face-down card. Dealer must hit on a soft 16. If the total is 17 or more, they must stand. The conclusion of the dealer's hand will determine the prize payout to each eligible winner. If the player beats the dealer, each participant will receive \$100 SBPC. If the player push/ties/lose, each participant will receive \$25 SBPC.
17. An authorized Marketing Representative will swipe each participant's card at the designated Everi Kiosk to award each participant a SBPC Receipt. Receipts must be redeemed within 24 hours from the date of issuance or forfeit. Receipts can be presented with valid ID and Morongo Rewards card directly at the Table Game to redeem.
