

# MORONGO'S MILLION DOLLAR PRO FOOTBALL FRENZY

## OFFICIAL RULES

Please note that due to the uncertain times related to the Covid-19 situation, program components, dates and rules can be changed at any time.

If the NFL football season is interrupted for any reason, management reserves the right to cancel or modify this promotion and associated prizes as needed.

1. Participants must be 18 years or older and a Morongo Rewards member to participate. No purchase necessary. Morongo Rewards membership is fast, free, and easy. Register for Morongo Rewards membership at a convenient Morongo Rewards kiosk, at Morongo Rewards desk or with a friendly Ambassador on the casino floor.
2. Morongo's Million Dollar Pro Football Frenzy will take place Tuesday, September 7, 2021 through Tuesday, January 11, 2022. The promotion includes Regular Season football games that are played on Sundays and Mondays from Sunday, September 12, 2021, through Sunday, January 9, 2022. The NFL uses "Flex Scheduling" in the latter part of the season. This can cause some games that were originally schedule for Sunday to be played on alternate days. If a game that was originally scheduled for a Sunday is moved to an alternate date, it still counts as a Sunday Game for Pick'em Cards.
3. Beginning Tuesday, September 7, 2021 at 12:01am, Morongo Rewards members may begin making Weekly Picks online at [morongo.profootballfrenzy.com](http://morongo.profootballfrenzy.com). Weekly Picks can be made every Regular Season week, Tuesday through Saturday from 12:01am - 11:59pm prior to each week's Sunday games. In the case of a "Flex Schedule" game change, we reserve the right to close the Pick'Em card submission dates as needed. In the case of a football game tie, all Pick'Em Cards are scored as a loss for the tied game.

To win the one-million-dollar prize, a participant must make 225+ correct picks during the 18 weeks of the regular season. In the case of two or more qualified participants making 225+ correct picks, the winners will split the one million dollar

prize equally among all winners, across all entities and contests participating in the insurance pool.
