Robo Showdown Giveaway – May 2024

1. The **Robo Showdown Giveaway** will be held at 12:00pm – 6:00pm on Wednesdays & Thursdays in May; May 1 – 30, 2024. All Morongo Rewards members playing at Casino Morongo are eligible to participate in the promotion.
2. Participants must be 18 years or older and a Morongo Rewards member to participate. Morongo Rewards membership is fast, free, and easy. Register for a Morongo Rewards membership at the Morongo Rewards Counter, or Promotions Desk.
3. MCRS machines, Travel Center machines, and Table Games do not qualify to participate.
4. Guests will earn one (1) entry for every ten (10) points earned while playing with their Morongo rewards card at their favorite slot machine.
5. Beginning at 12:00pm, two (2) Morongo Rewards members will be randomly drawn every thirty minutes.
6. After each participant has been drawn, the two (2) players will compete head to head.
7. If a guest is not present when the Marketing Representative reaches the slot machine, a new name will be drawn.
8. Guests must have a valid photo ID and Morongo Rewards card to be eligible to win. This process will continue until a winner has been located and identified.
9. Participants will have the chance to win up to \$100 in FSP. FSP will be loaded to winners' accounts within thirty (30) minutes and will expire within 24 hours.
10. Each participant will play a hand Blackjack with the Marketing Representative for a chance to win \$50 or \$100 in Free Slot Play.
11. Each participant will draw cards from the oversized deck used for the promotion. The Marketing Representative, acting as the dealer, will display the dealer's hand and the player's hand on the game board. The dealer will deal one card face up to the player's box, then one card face up for the dealer. The second round of cards is then dealt face up to the player and face down to the dealer.
12. If the player's first two cards are an ace and a "ten-card" (a picture card or 10), giving a count of 21 in two cards, this is a natural or "blackjack." If the player has a natural and the dealer does not, the dealer immediately awards \$100 FSP to each eligible player at the winning table.
13. If the dealer has a natural, they immediately award \$50 FSP to each eligible player. If the dealer and the player both have naturals, the dealer will award each eligible player a \$50 FSP.
14. If the dealer's face-up card is a ten-card or an ace, they look at their face-down card to see if the two cards make a natural. If the face-up card is not a ten-card or an ace, they do not look at the face-down card until it is the dealer's turn to play.
15. If neither the player nor dealer has a natural, then the game proceeds with the designated player who must decide whether to "stand" (not ask for another card) or "hit" (ask for another card in an attempt to get closer to 21 or hit 21). If the player "bust" (going over 21), each eligible winner at that table will receive \$50 FSP and the game is over.
16. Any unused FSP will be forfeited. Guests may win more than once per promotional day.
17. No prize substitutions will be permitted.
